## AN UNFORGETTABLE GETAWAY GREAT THINGS TO DO AROUND CIMARRON

Visit Cimarron and enjoy the **rustic quiet** of our village and the comfortable lodgings available. Then, feast on a **hearty southwestern style breakfast** at a local restaurant. After breakfast, step outside and breathe in the fresh mountain air as you stroll past the **14 historical sites** of **Old Town**, including the **Old Mill Museum**. Spend the rest of the morning touring our **unique local shops** where you will be enticed by a variety of art, pottery, authentic western clothing, local foods, books, antiques, jewelry, and much more!

Have lunch outdoors and enjoy a few moments of people-watching. Then follow the **Cimarron River** west along Highway 64 to the **Cimarron Canyon State Park** where you can enjoy a variety of activities. Fish, hike, take in the picturesque views of the **Palisades** and **Eagle Nest Lake**, read a book on the banks of the river, or pause at mile marker 292 beside the **Clear Creek Trail**, where a murder took place in 1875 that precipitated the **Colfax County War**.

Spend the evening in quiet wonder, gazing above at the brilliant **Milky Way**, snuggling close to a loved one. In the summer, throw on a sweater and enjoy an historic campfire. Then hit the hay to be ready for another great day of adventure.

Wake up early and take a drive—there are many options! Head into the **Valle Vidal** unit of the **Kit Carson National Forest** where you will be rewarded with open country, scenic views, the historic homestead of **Ring Place**, and abundant wildlife. Tour the **Enchanted Circle**, driving past quaint mountain villages. Venture out to the open high plains along the **historic Santa Fe Trail**, stopping at the sites of **Capulin Volcano** or **Fort Union**. Take a morning trip or spend all day.

After lunch enjoy our **western culture** and take a **wagon ride** through town or try your hand at fishing in a local lake. Add to your bird count at the **Maxwell Wildlife Refuge** or take a more serious hike in the Carson National Forest. At any time of year, there are outdoor activities galore!
