Action Items:

- What items do you want me to put in my Report to the Village Council?

COMING UP

CHAMBER SOCIALS

- None scheduled

VILLAGE COUNCIL MEETING

- Mar 18, 6pm, Village Hall

NEXT BUSINESS MEETING

- April 2, 7:30am, St. James

NEW MODEM INSTALLED

Our new modem has been installed, and Gene Lamm came over and configured all our devices to work off of it, and to remove the password setting. Our wifi is called villageparkwifi (old one was the same with capital v,p,w) and there is no password required to access it (same as before). Frequent users will likely not notice the difference.

NOTE FROM EX DIRECTOR

With the passing of my dad on Monday, Feb 23, I took Tuesday off and have had shorter hours since. I will be taking a week off to travel to CA to attend his memorial service and be with my family.

Not much else new to report. Business has been slow, as is typical for this time of year.
